We are looking for residents from a range of backgrounds to join us at one of our two-hour workshops taking place across Teignbridge in April. During the workshops, we will ask you to get involved in a few simple activities that will help us understand what it's like to live, work or study in Teignbridge.

If you are interested in being involved in this project, please fill in the online survey linked below, email us at oneteignbridge@teignbridge.gov.uk or call us on **01626 215900** by **Friday 8 March** and let us know you would like to attend. We'll confirm a space at the workshop by Friday 15 March.

There will also be further opportunities to get involved as the One Teignbridge plan progresses.
